**Senior Citizens' Centre, Nhill**

---

**An open invitation to members of the Nhill and  
Wider Communities**

### **Special Guest – Roger Meyer OAM**

- Wimmera Regional Library – Culture Victoria Video launch – featuring Roger Meyer
  - Progress with the Heritage Centre and Avro Anson restoration
- Introduction to the 2014 Aeradio Station Project from Roger Meyer and
- Open discussion/Q&A on the desired impact of these local initiatives for local business, tourism, community services and community involvement

**ALL WELCOME**

## Roger Meyer will be guest speaker -

Roger kindly addressed an NAHC Community Evening in July 2012, showing photographs and sharing the history of early radio, especially in relation to the Nhill Aeradio Station - which made an important contribution to Australian aviation communication.

Roger is now working closely with NAHC to plan a restoration project for the public exhibition of an important Aviation Radio Communication and Guidance system in use between 1937 and the mid-1960s.

### NHILL AERADIO STATION

- PRIOR TO WW2

### NHILL AERADIO STATION

- TODAY

Come along and take part in a community discussion/Q&A to plan the restoration of this national and international aspect of Nhill's history.

- The Aeradio Station features in the Nhill Aerodrome Master Plan
- Early planning is in hand for a Restoration Project, commencing 2014
- Your ideas, suggestions and support are welcome
